Jumpin' flash back (1400)

About the artist

Since 1974, I'm a composer for classical gtr, instrumental music & songs.

I'm also a gtr teacher (classical, acoustic & electric + bass) and my compositions are used by my students during their musical studies.

For my job, I've written my own musical theory adapted for the gtr, my own gtr method and I've made different arrangements for gtr from classical, modern & songs themes.

For my own compositions, I asked to my "luthier" to modified my gtr with a 7th string : a low D with a possibility to have the D# and the Eb.

I've quit my job 'cause I'm aged and now, I can work for making more compositions for gtr...

I'm interested to know guitarists wanting making concerts with my music and I hope that guitarists will be interested by my Heptacorde and his music and plesa, tell me about my music.

For my compositions, it's hard for me to m... (more online)

Muscadie, juin 2020 - Musicalités - Sacem

Je désirais composer une pièce à tendance cinématographique avec, comme idée, un retour en arrière, un flash back...

Vu le côté "sautillant" de celle-ci de part son rythme, tout naturellement m'est venu l'idée du jumpin'!

Aussitôt les mots ainsi formés ont, par analogie, fait allusion au célèbre morceau des Rolling Stones : "Jumping Jack Flash"... Mais cela n'est qu'un hasard...

C'est pourquoi toute ressemblance avec etc, etc... est tout simplement musicalement impossible...

But... "Jumpin' flash back it's a gas, gas, gas..."
Hope you enjoy...
