## Andante in C, K. 1a (K. 1a) Mozart, Wolfgang Amadeus

### About the artist

I started to play flute and piano, when I was about 9 years old. I always liked to play different styles of music (especially jazz at that time). I love to improvise and to play around with melodies (because I hate to read scores). After school I studied economics and ecology and started to work as an IT-consultant (which is my profession up to now). Some years ago I started to play percussion instruments – something I always wanted to do. I wrote my first composition, when my daughter needed a contemporary piece of music for a contest and her teacher had troubles to find an appropriate one.

About “Coboflupi”: There are several personal reasons I use a pseudonym and not my real name. I built this unique name using the first letters of the instruments I like to play most: Conga Bongos Flute Piano

It is normally performed on the harpsichord and is in the key of C. The piece opens with a one-bar phrase in 3/4 time, which is then repeated. A second, modified phrase receives the same treatment. The time signature... (more online)
