Autograph without Z-Number

Henry Purcell

Without title and tempo indication

The image shows a musical score for a Minuet by Henry Purcell. It is presented in two systems. The first system contains measures 1 through 8, and the second system contains measures 9 through 16. The music is written for a keyboard instrument, with a treble clef and a bass clef. The melody is in the treble clef, and the accompaniment is in the bass clef. The score includes various musical notations such as notes, rests, and ornaments.

The only autograph of Purcell containing keyboard works was discovered in 1993. So these works were not covered by the Zimmerman catalogue (Z) from 1963.

In all likelihood this autographical notebook was used by Purcell for teaching. The titles was added by the publisher.
