About the artist

Self-taught composer since 2014 and pianist since 2008. My favorite composer is Chopin, but I like romantic as well as jazz and electronic music. Except my film scores, all of my works are protected under the Attribution-NonCommercial-NoDerivatives 4.0. This means that you can listen to, play and make people listen to my songs for free (I strongly encourage you to send me your interpretations), as long as you clearly indicate that I am the author and that you do not use them for commercial purposes.
