About the piece

Composer: Ravel, Maurice

Arranger: Dewagtere, Bernard

Instrumentation: Clarinet, Piano

Style: Early 20th century

Comment: Boléro epitomises Ravel's preoccupation with restyling and reinventing dance movements. It was also one of the last pieces he composed before illness forced him into retirement: the two piano concertos and the Don Quichotte à Dulcinée song cycle were the only compositions that followed Boléro. Ravel himself has made two cuts in 1929 for his Bolero piano, one with two hands and one duet. They are very rarely performed.
