<b>Comment:</b>	The Time of Cherries is a song whose lyrics were written by Jean-Baptiste Clément and music composed by Antoine Renard in 1868. This song is strongly associated with the Paris Commune of 1871, the author is himself a Communard who fought during the Bloody Week (from 22 to 28 May 1871, final episode of the Paris Commune, where it is crushed and its members executed). The song 'The Cherries' was dedicated by the author who died a nurse during the Commune (online)
