Nocturno Nº13 (Obra Menor Nº61)

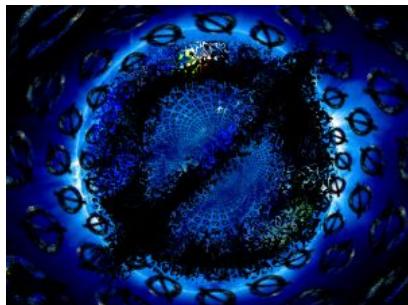

About the artist

Average, amateur composer and accordionist. My music is entirely playable. I do like to read anyones comments and I would love to see some piece of mine recorded by anyone who felt said piece is good enough to give it a try. I have a paypalme account in case you want to give me money. If thats the case, let me tell you thanks, but also let me tell you that I would keep composing even if I didnt have a single penny but access to paper or a computer. Finally, let me clarify that I do not tend to buy things at all on internet so the majority of the money Id get from this page would be likely used to hire a professional pianist or any other instrument performer that I needed to get better recordings of my pieces than the Computers try. Thank you for reading, hope you find my music more acceptable than my sometimes dense paragraphs.

Qualification: Medium level on accordion, low level on the rest.

Comment:	My 13th Nocturne, dedicated to my light at the end of the tunnel, Lucía, who has been accompanying me for quite a long time and never ever failed me. I wish she likes more than the 5th, which I also dedicated to her. This will probably be the 2nd or 3rd longest nocturne I made for this first set, but in my opinion its length isn't proportional to its complexity in terms of harmony and technical difficulty. As always, you judge. Rate it however ... (more online)
