Voluntary V - Andante Largo Stanley, John

About the artist

Hello, I'm a teacher in Primary School and an amateur guitarist. Passion for music incited me to elaborate arrangements to make music much easier to play for non-professional musicians like me. In fact I wrote a large number of scores of musical pieces in public domain that can be played by a single or a couple of beginners. I hope that it will be useful for someone. Good luck and... good music!!!

About the piece

Comment: L' "Andante Largo" è il secondo movimento del "Voluntary V", Op. 6, scritto dal compositore e organista britannico John Stanley e pubblicato nel 1752. I "voluntaries", termine traducibile in italiano con "preludi", sono composizioni di origine tipicamente inglese, eseguite durante le funzioni liturgiche anglicane.
