

# stefano ianne

Composer

Italia, ravenna

## About the artist

Stefano Ianne is one of the most representative artists of the Italian contemporary musical scenery. Minimalist, but with a very peculiar signature, he is produced by RAI TRADE.

His discography counts 4 productions: the last one is "Piano Car". Some of his works have been chosen as soundtracks for: a Tv show, "Montanelli Tv", for a commercial of a very famous mineral water and for the movie "Beket" by Davide Manuli. In 2009 his well known album "Mondovisioni", recorded with the orchestra "I Pomeriggi Musicali" (made up of 60 elements), was for 5 months on the music playlist of two important radio stations: Rai Radio Uno and Isoradio.

The new tour will start on April 2010 to promote the album Piano Car in which many internationally known artists will perform, such as like Trilok Gurtu and with direction by Valter Sivilotti.
