About the artist

Hi! My name is Dirk Tomandl. Born and raised in Germany, I am living in the US since 2005.

For my day job, I am a principal research scientist and group leader in the field of Cheminformatics, data science, artificial intelligence, etc. in life sciences.

I am a hobby composer with focus on neo-classical and neo-romantic style music, mostly orchestra, piano, and sometimes choir. Some of my compositions use artificial intelligence (AI) as "co-composer" for inspiration.

My primary instrument is piano but I am also a semi-professional choir singer (tenor).

Comment:

Please enjoy this original piano composition in beautiful late romantic-era style influenced by Sergei Rachmaninoff with a few hints of Frederic Chopin! It is a short, happy little piece, virtuous and expressive. I imagined a playful show-off who wants to impress in a gentle fun way.
