About the artist

Hi! My name is Dirk Tomandl. I am a huge QUEEN fan, especially of Freddie Mercury and Brian May. Freddie and Ludwig van Beethoven are my favorite composers.

For my day job, I am a research scientist who messes around with Cheminformatics, data science, artificial intelligence, etc. in life sciences.

I am a hobby composer with focus on neo-classical and neo-romantic style music, mostly orchestra, piano, and sometimes choir. Some of my compositions use artificial intelligence as "co-composer" as inspiration.

My primary instrument is piano but I am also a semi-professional choir singer (tenor).

About the piece

Title: Happy Prancing [AIN 2]

Composer: Tomandl, Dirk

Arranger: Tomandl, Dirk

Copyright: Creative Commons Licence

Publisher: Tomandl, Dirk

Instrumentation: Piano solo

Style: Classical

Comment: Please enjoy this original piano composition in beautiful late romantic-era style influenced by Sergei Rachmaninoff with a few hints of Frederic Chopin! It is a short, happy little piece, virtuous and expressive. I imagined a playful show-off who wants to impress in a gentle fun way.
