'E spingole frangese Traditional

About the artist

Hello, I'm a teacher in Primary School and an amateur guitarist. Passion for music incited me to elaborate arrangements to make music much easier to play for non-professional musicians like me. In fact I wrote a large number of scores of musical pieces in public domain that can be played by a single or a couple of beginners. I hope that it will be useful for someone. Good luck and... good music!!!

Comment: "E spingole frangese" è una canzone in lingua napoletana ripresa da Salvatore Di Giacomo ed Enrico De Leva da un canto popolare del comune di Pomigliano d'Arco. La canzone infatti era già presente in uno dei volumi di "Canti popolari delle provincie meridionali", pubblicato nel 1872 da Antonio Casetti.
