About the artist

I'm a, now retired, ex-music teacher in music high school, but still in activity like a choir director, singer, pianist accompanist, arranger and, at times a few, composer too. Very involved in what's all about vocal music, whatever the styles, especially when it's polyphonic or choral works because I think music allows to mix people together with an aim of beauty to perform.

Qualification: I've several and various music teacher certificates

1/ Mean out, brother, how you walk on the cross,
 I want to go to heaven when I die.
 Your foot may slip and your soul should get lost,
 I want to go to heaven when I die.

2/ Come on, sister, with your ups and down
 I want to go to heaven when I die.
 The angels wait for to give you a crown,
 I want to go to heaven when I die.
