Swallow Tail Jig Traditional

About the artist

Hello, I'm a teacher in Primary School and an amateur guitarist. Passion for music incited me to elaborate arrangements to make music much easier to play for non-professional musicians like me. In fact I wrote a large number of scores of musical pieces in public domain that can be played by a single or a couple of beginners. I hope that it will be useful for someone. Good luck and... good music!!!

Comment: "Swallow Tail Jig", noto anche come "The Dancing Master", è una popolare giga di origine irlandese risalente probabilmente alla metà del XIX secolo. Il titolo si riferisce al particolare tipo di giacca che i maestri di ballo del passato erano soliti indossare, ossia una giacca che nella parte posteriore aveva l'aspetto di una "coda di rondine"
