The Farmer's in his den Traditional

About the artist

Hello, I'm a teacher in Primary School and an amateur guitarist. Passion for music incited me to elaborate arrangements to make music much easier to play for non-professional musicians like me. In fact I wrote a large number of scores of musical pieces in public domain that can be played by a single or a couple of beginners. I hope that it will be useful for someone. Good luck and... good music!!!

Comment: "The Farmer's in his den", noto anche come "The Farmer in the Dell", è un gioco e una canzone per bambini. Probabilmente ebbe origine in Germania, dove fu pubblicato per la prima volta nel 1826, e fu portato in America dagli immigrati tedeschi. Da qui si diffuse poi in molti altri paesi. Per questo oggi è conosciuto in diverse lingue.
