France, NANTES

The water is wide Traditional

About the artist

Im a, now retired, ex-music teacher in music high school, but still in activity like a choir director, singer, pianist accompanist, arranger and, at times a few, composer too. Very involved in what's all about vocal music, whatever the styles, especially when it's polyphonic or choral works because I think music allows to mix people together with an aim of beauty to perform. Even if my arrangements are free, I'd be very glad for backwards positive remarks. Thanks for that.

Qualification: I've achieved several various music teacher certificates
