About the artist

I have been involved with the classical guitar for 45 years and since 1976 have been actively performing, arranging and recording. Some of my most influential teachers (masters) have been Alirio Diaz, Michael Lorimer and Juan Sorroche, among others. I still have the same passion for music as when I started and I love to share the results of my dedication.

About the piece

Title: Verde Luz (aire de danza) [Puerto Rican Dance/Song]

Arranger: Rodriguez, Felix

Copyright: Copyright © Felix Rodriguez

Publisher: Rodriguez, Felix

Style: Classical

Comment: Verde Luz (Green Light) is a beautiful song in the traditional style of the Puerto Rican "Danza" (similar to the Cuban Havanera). This song is beloved by all Puerto Ricans due to its patriotic lyrics, but I find the music to be just as great. I have harmonized and arranged this piece with the composer's permission but you're responsible for performing or recording royalties.
