## Piece for Piano No. 9

### About the artist

I studied writing and musical analysis, at the Versailles Conservatory with Solange Ancona (Rome Prize and student of Olivier Messian).

I collect on this site, all partitions that I have written through the years, without ever publishing them. They therefore reflect my life at different times more or less easy.

If you record one of my pieces, do not hesitate to send your MP3 on this site and, eventually, to inform me of any errors in the partitions.

If you need a part for a particular instrumental group, contact me.

**Qualification:** Award of Excellence for writing music, musical analysis at the Conservatory of Versailles.
