Concerto RV 93 - Largo Vivaldi, Antonio

About the artist

Hello, I'm a teacher in Primary School and an amateur guitarist. Passion for music incited me to elaborate arrangements to make music much easier to play for non-professional musicians like me. In fact I wrote a large number of scores of musical pieces in public domain that can be played by a single or a couple of beginners. I hope that it will be useful for someone. Good luck and... good music!!!

Comment: Il "Concerto per liuto RV 93" è un'opera del compositore italiano Antonio Vivaldi. Nello stesso periodo in cui lo compose, Vivaldi scrisse altri due concerti in cui utilizzò nuovamente il liuto solista. All'interno del brano, il "Largo" rappresenta il momento meditativo del solista.
