A propos de l'artiste

I am a composer of liturgical music and contemporary chamber music from the philippines. i was born january 13,1969 and that makes me 39 years old. i've only been actively composing for 7 years , having spent most of my life playing the piano up untill i was diagnosed with carpal tunnel syndrome that i stopped playing, anyway, i'm not that good in playing. then i found out that i could really compose, then composing consumed my life right now. i've studied music (piano, harmony,composition,orchestration,counterpoint) in P.W.U in manila,philippines.
