LIGHTS & SHADOWS

EIGHT-ROSES

1st STROPHE

Did you realise, you only might live twice.
The first time you appear, they make you run for gold.
Important was your name. The story is old and will never change.
When jealousy surrounds you and you think it is done.
(when you're gone)

REFRAIN

Lights & Shadows – English Meadows.
There is silver and gold in the air.
Lights & Shadows – English Meadows.
Just think about the reason why you're here.

2nd STROPHE

When you're born again, and you can take a second chance.
Just think about the life you lived before.
Stop running. Just stand still. Look with your eyes. You will.
For all of us, there is plenty of gold in the air.

REFRAIN

Lights & Shadows – English Meadows.
There is silver and gold in the air.
Lights & Shadows – English Meadows.
Just think about the reason why you're here.
