Introduction:

When one finds oneself in the situation of playing a jazz gig near Christmas, it is quite nice to have in one's possession a fake book of Christmas songs with jazz changes. As there are so many Christmas songs in the public domain, it would be great if such a book could be free.

That is the intent of this book - provide lead sheets for Christmas gigs with basic jazz changes. These changes were determined through trial and error as well as reference to the holiday song list available in the forums for the *iReal Pro* iOS and Android application. Lead sheets are present for C, Bb, Eb, and Bass Clef instruments.

These are songs that are public domain and not under any copyright restrictions. This means you can record and perform these songs freely. These lead sheets can also be distributed to others legally.

I do ask that you do not sell these lead sheets and that you leave the "*FreeMusicEd.org*" mark at the bottom. If you would like to purchase a printed copy of this book and help support future publications visit www.gigbooks.freemusiced.org for more information.

Enjoy and Merry Christmas
Stephen Cox

The image shows four staves of musical notation for Eb instruments. Each staff begins with a treble clef, a key signature of one sharp (F#), and a common time signature (C). The notes are primarily quarter and eighth notes, often beamed together. Above each staff, chord symbols are provided for each measure. The first staff has 8 measures, the second and third have 8 measures, and the fourth has 8 measures. The fourth staff ends with a double bar line and repeat dots.
