A propos de l'artiste

I was born in a small farming community named Stettler in the heart of Alberta, Canada. Life has taken me many places and I now reside in Washington State, USA. Trumpet was my first introduction to learning a musical instrument but unfortunately my interest waned and I didn't stick with it. Next was to move on to the Acoustic and Electric guitars of which I have played most of my life now. I was in several bands when I was young and we composed original music in each of them. I took piano in college and that was when I really began to learn the theory behind what I was playing and creating. My latest and most exciting venture now is the Viola. I have truly fallen in love with this instrument and hope to nourish this love in the future. I would greatly enjoy contact with other Violists. I hope you enjoy what I have here! Thanks for looking. Cody
