## A propos de l'artiste

When I was a young boy my parents gave me the opportunity to learn to play the violin. However it became not my profession, I like to play the violin and most of all in combination with other musicians. I have played in amateur orchestra's and little "bands" like a klezmer band. Now we have a duo ViP (Violin/Piano) and a trio Haberyv (Violin/Piano/Clarinet) and we play for fun as well for several occasions. And so I like to compose on the computer with all the possibilities of nowadays and we play some of my compositions. I hope you like my compositions. Please write me your comment, critical and also hopefully joyful.

friendly greetings from Titus
