BCReview 2016 (For String Orchestra)

A propos de l'artiste

Dans mon temps libre, j'aime noter quelques idées musicales que j'ai, entrer dans Musescore (un programme de notation musicale Open-source). Après que je reçois les bases, j'ai exporter et modifier le son et les poster sur le web juste de partager le son. En aucun cas sont-ils censés être professionnel. Juste un hobby:)

A propos de la pièce

Titre :	BCReview 2016 [For String Orchestra]
Compositeur :	Basford, Benjamin
Droit d'auteur :	Public Domain
Instrumentation :	Ensemble à Cordes
Style :	Contemporain
Commentaire :	Dans la célébration de l'anniversaire d'un an pour Composer Détraqué, cette composition "clips montrent" propose des extraits de la quasi-totalité de mes pièces créées dans la dernière année (hors "Echoes") arrangées pour un orchestre à cordes. Comme cela marque également l'affichage d'un an de "Pizzicato Solitude", la technique de pizzicato est utilisé pour la quasi-totalité de la chanson.
