ORIGINAL WORKS

VIOLIN STUDIES

L 110 **Op. 32. Book I. 20 Studies in First Position** 75
Useful and systematic exercising material for gaining rhythmic surety and skill in the most essential varieties of bowing. First position only.

L 111 **Book II. 20 Studies in Second, Third, Fourth and Fifth Positions**..... 75
Specially designed exercises for study of the 2nd, 3d, 4th and 5th positions. Medium difficulty and excellent for gaining surety and confidence in these higher positions.

L 112 **Book III. 20 Studies, Changing of Positions** 75
Easy and gradually progressive studies for gaining confidence in the change of positions.

L 648 **Book V. 20 Studies in Double Stops**.. 1 00
Easy, double-stop studies for inexperienced players. Particularly serviceable for gaining surety in fingering and improving the intonation of young players.

L 636 **Op. 41. Scale Studies in Double Stops**. 1 00
Practical and unsually serviceable daily finger exercises in thirds, sixths, octaves and tenths.

L 403 **Op. 80. 24 Studies in different Keys.** Preparatory-studies to Rode's Caprices.) Book I..... 1 00
Carefully designed study material for rather advanced players, intended as preparatory exercises for Rode's Caprices.

L 404 **Book II** 1 00
The studies are intended to develop surety of the left hand in unaccustomed keys, facility in the lighter varieties of bowing, and for gaining a finer degree of feeling for the manifold problems of perfect intonation.

Op. 92. Technical Studies.
Part I. Exercises and Studies for the Cultivation of the Left Hand.

L 500 **Book I. Exercises in the First Position.** 1 25
Practical exercises and studies for the systematic training of the left hand. First position only.

L 501 **Book II. Exercises in the Various Positions, shifting from one position to another and chromatic exercises**.. 1 25
Daily study material for developing fluency in the change of positions (1st to 7th) as well as for change of positions on one string.

L 502 **Book III. Double stopping. Thirds, Sixths and Octaves**..... 1 25
This book provides no end of double stop studies, starting with simple open string combinations and advancing as far as fairly advanced material in thirds, sixths and octaves.

Part II. Exercises and Etudes for the special Development of the Right Hand. (Technics of the Bow.)

L 503 **Book IV. The long sustained stroke producing the singing tone. The hammered (martelé) stroke**..... 1 25
A book of study material for development of some of the fundamental varieties of bowing.

L 504 **Book V. The detached stroke. Exercises in various styles of bowing. Broken chords with various styles of bowing. Staccato** 1 25
The more advanced styles of bowing are presented at length in this book.

L 505 **Book VI. Spiccato (The thrown stroke). The short skipping (sautillé) Ricochet (Thrown staccato). Arpeggio with various styles of Bowing. Three and four-part chords**... 1 25
Extended and carefully planned exercises for the study of the more difficult varieties of bowing are contained in this book, all systematically and progressively arranged.

Op. 134. Forty Special Studies.

L 884 **Book I. First position**..... 1 00
These are the first of forty special studies, admirably planned for advancing young students.

L 885 **Book II. First five positions**..... 1 00
The higher positions are taken up in this book and the exercises all advance with gradually increasing difficulties for both the right and left hands.

L 886 **Op. 135. School of Velocity. Book I**. 1 00
The daily finger exercises contained in this book are the first of a series of technical studies inspired by Czerny's "School of Velocity."

L 887 **Book II** 1 00
Daily studies for perfecting the technical possibilities of the left hand. For advanced players.

L 888 **Book III** 1 00
Advanced single and double-stop exercises for capable players desirous of perfecting their technical control of the instrument.

L 346 **Scale Studies (Appendix to Schradieck Scales)** 1 00
