A propos de l'artiste

A lifelong musician playing classical piano when young, then jazz and rock saxophones during teens through retirement. A degree in music and performance time in Army and Air Force bands. Directed big band jazz groups and combos, performed in many concert and wind ensembles during his years. Love melodic music, but also love my ears to be stretched some. Choral music is an enjoyable outlet for my composition desires, as well as wind groups. If you like and perform my music, please let me know where and who performed it. Perhaps you could include a Youtube link so I could hear your performance.

#1 Fire and Ice

Poet: *Robert Frost*

Published: *1920*

Poem:-

*Some say the world will end in fire,
Some say in ice.*

*From what I've tasted of desire
I hold with those who favor fire.*

*But if it had to perish twice,
I think I know enough of hate
To say that for destruction ice
Is also great*

And would suffice.
