## A propos de l'artiste

EKE C Hegdes is a musical sensation. His works finely blends classics with modern contemporaries like never before. what makes his works outstanding are the originality, dynamics, melodic Harmony, rise in the pace of his works, and the ability to electrify listeners thereby creating a bond between the two. he started his musical career at the age of 13 years with the help of his father EKE CHIBUEZE HEDGES, who is also a musicologist. EKE C Hegdes has composed many works, some are not yet realized to us. he is presently in charge of Government house chapel, Imo State. NIGERIA
