A propos de l'artiste

I compose and arrange music for the guitar as well as conduct sing-alongs and perform at retirement homes and hospitals. I hope you are enjoying my compositions and arrangements. My wish is that you share all of your music by volunteering to perform for the underprivileged and play in hospitals and retirement homes for seniors and the disabled. I've included lyrics with some of my music. If you want to really learn the music and become an entertainer, try singing the lyrics while playing the music. If you can do that, you indeed can entertain people. In addition, if you are interested in improving your memory skills for guitar music, I would recommend reading the book, "Moonwalking with Einstein" by Joshua Foer - especially chapter 8, 'The OK Plateau'. While this book does not directly address how to memorize guitar music, it is an excellent book on general memory skill techniques.

Buffalo Soldiers On Patrol

Infantry and cavalry regiments known as "The Buffalo Soldiers" were garrisoned at the San Francisco Presidio in 1902. These African American soldiers were responsible for patrolling and protecting natural gems like Yosemite, Sequoia and Kings Canyon in the years leading to the formation of the National Park Service, effectively becoming the nation's first park rangers. The soldiers seldom used the name, "Buffalo Soldier" amongst themselves, but they did accept the name as complimentary.

The musical score is written on a single treble clef staff with a key signature of one sharp (F#). It consists of four systems of music, each with a measure number at the beginning. The first system (measures 25-28) is marked with a Roman numeral 'II' above the first measure and 'I VIII' above the last two measures. The second system (measures 29-32) is marked with 'I' above the first measure. The third system (measures 33-36) is marked with 'IX' above the last measure. The fourth system (measures 37-40) is marked with 'IX' above the last measure. The notation includes various rhythmic values, accidentals, and fingering numbers (1-4) and circled numbers (1-3). A 'rit.' (ritardando) marking is placed below the first measure of the fourth system. A vertical sequence of notes with circled numbers 1, 2, and 3 is positioned between the third and fourth systems.
