## Nous les Trois Mages Hopkins, John Henry

### A propos de l'artiste

Maurice Mondengo, ThM est l'un des chanteurs des chorales liturgiques et communautaires du Congo-Kinshasa qui écrit la musique comme son esprit le conduit. Il chante depuis le 23 décembre 1971 et conduit les chœurs amateurs depuis 1984.

Maurice adore chanter et faire chanter celles et ceux qui aiment apprendre le style Africain du chant. Le temps de la nativité et ses belles mélodies ont une place de choix dans sa vie. Si le don et l'amour de la musique l'ont toujours amené à écrire quelques opus (Liturgiques), il est aussi vrai que les questions de paix entre les humains et celles de justice dans le monde aujourd'hui ne le laissent jamais indifférent; elles ressortent souvent en filigrane de ses compositions. Son principal instrument de musique est la voix.
