## Etude Op1 Nr 20

### A propos de l'artiste

Je suis compositeur , arrangeur et je joue d'habitude sur une guitare 8 cordes que je conseille à tout guitariste classique averti car les 2 cordes supplémentaires modulables suivant la tonalité du morceau permettent d'enrichir la pièce jouée mais aussi de contourner les difficultés techniques qui s'y présentent, on peut dire que ce sont des roues de secours dont je ne pourrais plus m'en passer aujourd'hui . Bon à savoir : la guitare 8 cordes possède un manche légèrement plus large qui peut être moins confortable pour certains joueurs de guitare non expérimentés. Passer d'une guitare 6 cordes à une guitare 8 cordes classique présente quelques difficultés : une particularité dont il faut tenir compte . Je joue également sur un piano digital 88 touches. versement pour faire un don Paypal: marchese@hotmail... (la suite en ligne)
