Nocturno Nº16 (Obra Menor Nº64)

A propos de l'artiste

Average, amateur composer and accordionist. My music is entirely playable. I do like to read anyones comments and I would love to see some piece of mine recorded by anyone who felt said piece is good enough to give it a try. I have a paypalme account in case you want to give me money. If thats the case, let me tell you thanks, but also let me tell you that I would keep composing even if I didnt have a single penny but access to paper or a computer. Finally, let me clarify that I do not tend to buy things at all on internet so the majority of the money Id get from this page would be likely used to hire a professional pianist or any other instrument performer that I needed to get better recordings of my pieces than the Computers try. Thank you for reading, hope you find my music more acceptable than my sometimes dense paragraphs.

I started this nocturne without thinking or playing at all. It is subtitled Pasado el decimoquinto estoy sin ideas which means exactly that; I had no ideas for producing more nocturnes at that time. In fact, the only thing that made me make the 16th is that I promis... (la suite en ligne)
