Nocturne N°17 (Obra Menor N°65)

A propos de l'artiste

Average, amateur composer and accordionist. My music is entirely playable. I do like to read anyone's comments and I would love to see some piece of mine recorded by anyone who felt said piece is good enough to give it a try. I have a paypal dot me account in case you want to give me money. If that's the case, let me tell you thanks, but also let me tell you that I would keep composing even if I didn't have a single penny but access to paper or a computer. Finally, let me clarify that I do not tend to buy things at all on internet so the majority of the money I'd get from this page would be likely used to hire a professional pianist or any other instrument performer that I needed to get better recordings of my pieces than the Computers try. Thank you for reading, hope you find my music more acceptable than my sometimes dense paragraphs.
