## Splet makedonskih pjesama

### A propos de l'artiste

Im not professional musician, but I spent my entire life in folklore ensemble and I have life long passion for music. At one time I was offered a position of a teacher for young musicians within KUD Jedistvo folklore society and during that time I accumulated music pieces that I want to share with you. Mostly its traditional Croatian folk music with distinct Mediteranian influence Italian music and some of the Hungarian influenced pieces. There is also some of the more modern music like Beatles. Most of the music that I will provide is adapted for two guitar. Hope you will find some value in this collection for yourself.
