A propos de l'artiste

Hi! My name is Dirk Tomandl. Born and raised in Germany, I am living in the US since 2005.

I am a hobby composer with focus on neo-classical and neo-romantic style music, mostly orchestra, piano, and sometimes choir. Some of my compositions use artificial intelligence (AI) as "co-composer" for inspiration.

My primary instrument is piano but I am also a semi-professional choir singer (tenor).

For my day job, I am a Principal Research Scientist and Group Leader Cheminformatics using data science, artificial intelligence, etc. in life sciences.
