A propos de l'artiste

I am a composer/singer/guitarist/choir director for a small-ish Methodist/United Church of Christ congregation in Austin, Texas, USA. I have a background in classical guitar and composition, and have written or arranged more than 50 works for small church choir (10-15, no professional singers). My music is not difficult to learn, for the most part, and is within the traditional tonal framework of Western classical music.
