Let's Get Practicing

This is a Sonata for Viola solo inspired from M. Suzuki's work on Yamaha Piano Lesson Book Four. To pay respect, the composer titled the piece as same as what is on the source. Let's Get Practicing is the first piece for viola solo written by the composer. The goal of this project is to make this available and enjoyable for student to perform, similar concept to instrument grade examinations.

This piece composed of three sections performing continuously without break, which sixteen measures' original piece was developed and expanded into larger piece. Three sections are Allegretto(Exposition), Andante(Development) and Allegretto(Recapitulation). This cyclic form was inspired from composer's favorite pieces(Fantasia in C Major(Wanderer) by F. Schubert and Sonata in b minor by F. Liszt).

This piece last about five minutes and thirty seconds.
