About the artist

I am a composer, arranger and I usually play on an 8-string guitar that I advise any classical guitarist warns because the 2 additional strings adjustable according to the tone of the piece can enrich the piece played but also bypass the technical difficulties that come in, we can say that they are spare wheels that I could not do without. Good to know: the 8-string guitar has a slightly wider neck that may be less comfortable for some inexperienced guitar players. Switching from a 6-string guitar to a classical 8-string guitar presents some difficulties: a particularity that must be taken into account.

I also play on an 88-key digital piano. contact Paypal: marchese@hotmail.com
